

3CR's Gardening Radiothon is on again: Sunday 26 June, 7.30 – 10.30am!

Choose from over \$13,000 dollars worth of gardening product on sale or make a tax deductible donation to support grassroots community radio!

Sunday morning's 3CR Gardening Show has a cult following of its own. With the best environmentally-friendly gardening tips in Melbourne, the show has made waking up early on Sunday morning worthwhile for over 25 years.

The program features an expert panel of regular guests including Millie Ross, author and horticulturalist Stephen Ryan (both of ABC's *Gardening Australia*) and renowned author Gwen Elliot. The program is produced by long-time 3CR volunteer Pam Vardy. Talkback callers can ring in on 9419 0155 to hear tips on pruning or keeping a lemon tree healthy among the cornucopia of other interesting queries about gardening, with advice completely untainted by sponsorship agreements.

The Gardening Show's annual Radiothon is on Sunday 26 June from 7.30am to 10.30am.
